ABOUT ME

I am a dedicated Junior Front-End Developer with over a year of experience in creating dynamic and responsive websites. My skills include developing multipage and landing page websites, ensuring optimal user experiences across all devices. With a strong background in collaborative development using GitHub and proficiency in Figma, I effectively translate design concepts into functional web interfaces. I am highly adaptable, eager to learn, and committed to continuous improvement.

SKILLS

- HTML5
- Next Js
- Css
- Tailwind Css
